**IN THE MATTER OF SIGNING CONTRACT-BLUESCOPE CONSTRUCTION, INC.-JEFFERSON
COUNTY SERVICES COMPLEX-STATE ROUTE #43-NEW STORAGE BUILDING PROJECT-
SOURCEWELL CONTRACT-JEFFERSON COUNTY ENGINEER'S OFFICE**

The Board of Commissioners, County of Jefferson, State of Ohio, received the following:

January 13, 2026

Board of County Commissioners
County Courthouse
Steubenville, Ohio 43952

Gentlemen:

Re: New Storage Building

The Jefferson County Engineer's Department has worked for over a year developing a plan for construction of a new garage to store dump trucks, equipment and materials at the complex on State Route 43. We believe a design-build approach using a Sourcewell contract is the most effective method to complete the project.

Attached is a contract from BlueScope Construction, Inc. for construction of a 50' x 150' steel building with concrete floor, 8 storage bays, natural gas heat and electric service. Total cost estimated at \$1,233,384.00. The project utilizes Sourcewell contract 110822-BSC. We intent to fund the project with \$300,000 from the department's 2025 budget and financing has been secured for the balance through the Auditor's Office. Construction is tentatively scheduled to begin in April and completed in July of this year.

We request the Board sign the contract. If you have any questions, please contact our office.

Respectfully
/s/ Eric B. Hilty, P.E., P.S.
